

Blu  
And The  
Exciting Sheep Ride

Blu is a cowboy.

He does a lot of ranch work with his dad.

For fun, sometimes they enter a rodeo.

One time, Blu entered the sheep riding at a big rodeo in Big Piney, Wyoming.

The sheep he got was big, dirty and wooly.

His dad helped him get on, he pulled the rope.

The chute boss opened the gate.

Blu held on tight. He dug into the wool with his spurs.

The outlaw sheep ran and bucked.

The crowd yelled, "Ride him Cowboy Yippee, Yahoo!"

Just then the sheep bucked and turned and down he went.

Blu still held on tight. His hat flew off.

The big sheep rolled over Blu, clear over him!

The crowd yelled, "oh no, oh no, is Blu OK?"

His aunt Talli screamed, ahhhhheeeeeeeek! It scared everyone.

Blu just got up and walked back to the chutes.

He had scratches on his face.

He said he is going to ride another sheep.

Oh that brave Cowboy, Blu!
